

Telvent announces the appointment of two new members to the Board of Directors

Madrid, May 26, 2005 – Telvent (NASDAQ TLVT), the Global RealTime IT Company, today announced that the appointments of Bernardo Villazán Gil and Emilio Cassinello Aubán to Telvent's Board of Directors was approved during the Ordinary and Extraordinary General Shareholders Meeting of Telvent GIT. The independent members' terms will last for a period of five years.

Emilio Cassinello Aubán, is General Director of the International Center of Toledo for the Peace (La Paz). In the Ministry of Foreign Affairs, he has been General Assistant Director of Africa, General Director of Organizations and International Conference, General Director of Latin America and Director of the Analysis and Forecasting Office of Foreign Policy. He has been Business Representative in the Embassies of Addis Ababa and Dar es Salaam, Cultural Advisor in Mexico, and Spain's Ambassador in Angola (1978-79) and Mexico (1982-85). He was also General Consul in New York (1998-2003).

Emilio Cassinello was the first United General Secretary of Spain/United States Council and Vice-president of the Euroamerica Foundation. He is also a member of the Scientific Council of Real Elcano Institute of International and Strategic Studies, Honorary Fellow of the Foreign Policy Association of New York, and member of the Advisory Council of the Dukes of Soria Foundation.

Bernardo Villazán Gil, Director and Chairman of Lucent Technology Spain and Portugal, has worked for more than 20 years in the Information Technology and Telecommunications sectors, as much in Spain as in the United States, in companies such as Sainco, Data General and Sun Microsystems. He is a member of the Advisory Administrators Institute, and is also a member of the Board of Directors and Treasurer of AETIC (Association of Electronics, Information Technologies and Telecommunications companies of Spain).

According to Telvent's Chairman and Chief Executive Officer, Manuel Sánchez Ortega, "It is for us a great honor and an enormous satisfaction that Telvent is able to attract people of the experience and the recognized prestige of Bernardo and Emilio, whose experience in multinationals, and North American and Latin American organizations will be of great value to the Telvent Board."

Telvent (NASDAQ-TLVT), the RealTime Global IT Company, specializes in high value-added solutions in four specific industrial sectors (Energy, Traffic, Transport, and Environment) in Europe, North America, Latin America and China. (www.telvent.com)
